Academy e-letter
Volume 4, Number 6
June, 2005

From the Desk of J. R. Brandt, DC, FACO
President, Academy of Chiropractic Orthopedists

Good Morning Doctor,

This e-letter is going to be short this month!

Last month I made a mistake with the website address...I read and re-read these-letters to make sure not to do things like that...sorry...should be www.dorthoacademy.com.

The Academy received a prompt thank you from the Council on Chiropractic Guidelines and Practice Parameters (CCGPP) for the grant money they received. Please review their work; they are working for the profession.

Take a look at the new e-Journal; it is available on the website. Thank you to Editor Bruce Gundersen and his Board for good and timely work.

Thanks to the doctors who have referred new members to the Academy and to those doctors who have continued to support the Academy mission.

Don't forget to check out the new patient educational brochures from the Academy. We are trying to get everything in place so you can order right off the website. We will let you know when this is available.

Celebrate America's Independence Day on July 4th, and thank those who help preserve it. Have a great summer!
